

AFTER SCHOOL FUN

with

HELEN O' GRADY (SPEECH AND DRAMA)

Helen O' Grady offers an English Speech & Drama programme for children to improve the 3C's in them - Communication skills, confidence and creativity. HOG programme helps in overall personality development of a child.

ENGINEERING FOR KIDS

Brings science, technology, engineering, and math (STEM) to kids in a fun and challenging way. The programme inspires children to build on their natural curiosity as they learn engineering concepts through hands-on learning.

SYMPHONY

Bollywood Dancing, Kathak, Keyboard, Drums, Painting/Art & Craft
Vocal: Indian Classical, Semi Classical and Western

All the courses are certified from Trinity College of London and Rock School.

SPORTS GURU

Soccer & Taekwondo training by professional players. This development centre will ensure progression of players from basic to competitive learning.

YOUNG CHEFS ACADEMY

Young Chefs Academy offers cooking classes to children in a safe environment that encourages discovery and creativity. While learning food preparation skills is the main ingredient at YCA, each class adds a heap of kitchen safety, a scoop of etiquette, a handful of table setting, a pinch of menu planning, and laughter to taste!

Give your kids a chance to develop hobbies, skills and interests they might not be otherwise able to explore.
