PJ WARRIORS

The kids will reclaim green earth and be the brave birds and animals saviour! Kids will have various fun-filled activities ranging from art, craft and experiments. They will also create a clean and green world from our homes only with little angels

BUDDING PRINCE & PRINCESS

Come on little brain hunters let's all hunt to be smart. Let's keep a smart head like prince/princess and keep it cool. Master the skill of public speaking, learn telephone etiquette and impress your guests with impeccable table manners. Harness all these skills to build a unique personality that set's you apart.

Let us explore the world of experiments in Dexter's laboratory. Find exciting ways of doing various new things. Our little scientists will see how rain falls from a cloud, make a paper towel walk over water, inflate a balloon using something very different, make a CD go round and round, dissolve something very sweet in water and Boom! Explode a volcano.

ALICE IN WONDERLAND

Children will be doing hands on activities to make stuffed recycled toys; photo frames and also learn creative ways to express and explore in fun style

DORA THE EXPLORER

Dora, our friend
will be taking us to different places in India
and to International famous tourist spots.
Come & Join us for memorable virtual tour.
We will be doing non fire cooking; visit places
and lots of general awareness to
crack quizzes!
So, let's take our bag packs
